## OUR PHILOSOPHY

Since we started I'm Free Tours in 2009 it has been our mission to provide honest and local information to fellow travellers visiting Sydney & Melbourne.

We want to share with you the city we've grown up in and love, so that you have the best time here. For this reason we offer tours full of history and culture as well as personal suggestions and advice, not paid recommendations.

Also as part of the local community we want to welcome everyone, so we use some of the profits from our daily tours to offer pro-bono tours for newly arrived refugees.

We look forward to sharing Melbourne with you soon!

## VISITING SYDNEY?

Join our Free Tour every day, 10:30am & 2:30pm on George Street between Town Hall and St Andrew's Cathedral.
